5W Ultra-Clear Speaker

The conference speakerphone equipped with a loud 5W ultra-clear speaker, delivers crystal-clear voice quality, and ensures everyone in the meeting room to be heard loud and clearly.

Full-Duplex Communication

Magicall M6B adopts Full duplex audio design, to speak and be heard simultaneously. A full duplex speakerphone setup allows multiple users to communicate simultaneously while a half-duplex system only allows one party to speak at any given time. And with DSP algorithm technology, eliminating general background noise, ensure your voice is always clear and audible during the conference.

Various Connection Mode

USB, Bluetooth5.0, AUX, and Wireless Dongle Connections are all your options to connect the Bluetooth speakerphone to your devices. No driver is needed; just plug and play.

Long Endurance

The M6B conference speakerphone come with a large capacity of 8000mAh battery, which can be fully fastest charge time in 3-4 hours; regular charge time: 6 hours, and supports up to 13 hours of continuous use. It's no problem to hold meetings throughout the whole day.

8000mAh

Press Button LED Indicator

The conference microphone uses press buttons, with LED indicator prompts, and clear light instructions under different functions. Press buttons make it easy to call, hang up, mute/unmute, and volume adjustment.

2 Expansion Mics are Available to Expand Voice Pickup Range

Optimizing audio coverage, the Magicall M6B supports connection with 2 expansion microphones via two 11.5ft (3.5M) 3.5mm jack cables. This integration extends the voice pick-up radius to an impressive 9m, ensuring crystal-clear communication for up to 30 participants in medium to large meetings.

Universal Compatibility & Broad Application

Compatible with Windows(Win7,8,8.1, 10,11), MacOS (10.10 and above), Android (V5.0 and above), Linux and more. The speakerphone works with mainstream meeting platforms such as Zoom, Microsoft for Teams, OBS, Skype for Business, Google Hangouts, Goto meeting, Bluejeans, Webex, etc. Experience effortless and efficient conference calls with the Tenveo conference speaker.
